

Michael Tobet HB 5327

To Senator Gerrantana and Representative Johnson and Members of the Public Health Committee:

I am writing in support of Bill #5327, An Act Concerning Health Freedom and the Practice of Classical Homeopathy.

I believe that there should be access to educated and trained professional homeopaths who have the highest credentials from the National Board of of Classical Homeopathic Certification. We need to bring Connecticut more up to date in the field of alternative health care.
