

Shauna Giannuzzi 5558

Hello, my name is Shauna Giannuzzi, I live in Windsor locks, Connecticut and I am a Board Certified Behavior Analyst. I support HB 5558 because individuals with autism do not stop needing services regardless of their age. In addition, severe behaviors are one of the hallmarks of autism spectrum disorders and through applied behavior analysis there is documented and repeated successes with treating these behaviors. It is prudent that our state allocate the resources necessary to assist these individuals, their families and their communities.

Sincerely,
Shauna Giannuzzi
