Brian Dombrowski

Members of the Public Health Committee,

My name is Brian Dombrowski, and I am a senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H.B No. 5326- An act concerning compassionate aid in dying for the terminally ill patients.

This bill goes against respect for life, and takes life before it is ready to end. People have the right to live and the right to spend all time they have in this life.

Thank you for your time,

Brian Dombrowski
