

Corinne Connors HB 5327

Dear Senator Gerratana and Representative Johnson and Members of the Public Health Committee,

My fiancé and I are long-time residents of Rocky Hill and are big believers in the Homeopathic approach to wellness. We would like to see Bill #5327, an Act Concerning Health Freedom and the Practice of Classical Homeopathy, get passed.

We have had excellent results with alternative healthcare services we have received. We feel that it is safe and affordable and prefer this type of treatment to some of the other medical procedures that are out there.

Please pass this bill in CT!

Best regards,
Corinne Connors
