

Patricia Browning HB 5327

Dear Senator Gerratana and Representative Johnson,

I am writing to you to request your support of Bill #5327: An Act Concerning Health Freedom and the Practice of Classical Homeopathy.

I believe I, and the general public, should have access to practitioners of alternative healing methods such as Classical Homeopathy. The passage of this bill will allow highly trained and certified classical homeopaths to practice in Connecticut.

I am interested in natural medicine and have a relative who is a Certified Classical Homeopath. She has spent many years studying and dedicating her time and energies to help those seeking knowledge in her field. Her educational background, as well, bespeaks her desire to help children who having learning and behavior problems.

I encourage your support in the passage of Bill #5327.

Respectfully, Patricia Browning, Derby, CT
