

HB 5542 Phyllis E Magnussen, EMS-I, EMT, FF

I am writing in support of HB 5542, AN ACT CONCERNING THE RECOMMENDATIONS OF THE CONNECTICUT EMERGENCY MEDICAL SERVICES PRIMARY SERVICE AREA TASK FORCE. This bill, as written, provides for all the necessary measures to allow for each municipality to tailor an EMS Plan to meet their particular needs and a review policy to insure those needs are being provided. It maintains the integrity of the PSA system while giving each municipality the responsibility of making sure their plan is being followed and a procedure to follow when those expectations are not being met.

I urge the passing of HB 5542.

Sincerely,

Phyllis E Magnussen, EMS-I, EMT, FF
