RE: HB 5391

I am in support of passing HB-5391. The percent of fringe benefits the towns are charged when the Resident State Trooper responds to an overtime call is much higher than it should be. Many of the Resident State Trooper benefits do not change because of the overtime: for example health insurance, car insurance and other fixed cost of the automobile.

In addition the towns also incur expenses over and above the state contract. The towns typically cover the cost of office space, telephone, computers, printers and printer supplies, fingerprint systems, office supplies and furniture.

Sincerely,

Robert Burbank
