

General Assembly

February Session, 2014

Raised Bill No. 5082

LCO No. 803

Referred to Committee on ENVIRONMENT

Introduced by:
(ENV)

AN ACT CONCERNING WASTEWATER TREATMENT PLANT DESIGN FLOW.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. (NEW) (*Effective from passage*) Notwithstanding any
2 provision of the general statutes, in determining whether a wastewater
3 treatment plant has reached ninety per cent or more of its design flow,
4 the Department of Energy and Environmental Protection shall make
5 such determination based upon a three-hundred-sixty-five day rolling
6 average.

This act shall take effect as follows and shall amend the following sections:		
Section 1	<i>from passage</i>	New section

Statement of Purpose:

To reduce the effect of short-term high flows when assessing whether a wastewater treatment plant reaches ninety per cent of its design flow and, as a result of such level, the municipality must undertake a facilities plan study for expansion of such plant.
