To the Transportation Committee:

Please support SB 336, the Vulnerable User Bill, on March 5.

I'm one of those state employees who commutes from Manchester to East Hartford via two wheels – on a commuter bike. Part of that adventure is down Silver Lane where many motorists don't treat cyclists as "fellow drivers". We need to get the message across to the four wheel drivers that other folks share the road and that there are consequences when you disregard other drivers.

Thanks, David
