Subject: Please Support SB 336, the Vulnerable User Bill

To the Transportation Committee:

Please support SB 336, the Vulnerable User Bill, on March 5. I commute to work by bicycle 90% of the year and can tell you from first hand experience that while in terms of bicyclists more than this Bill is needed, it is a good start. Please support it, for the health, safety and welfare of those of us who ride bicycles in the road by choice or otherwise.

Thank you.
