
OLR Bill Analysis**SB 113*****AN ACT MAKING TECHNICAL CORRECTIONS TO STATUTES CONCERNING HOUSING.*****SUMMARY:**

This bill makes minor changes to conform to PA 13-234, which transferred the administration of certain housing-related matters from the Department of Economic and Community Development (DECD) to the newly-established Department of Housing (DOH). Specifically, the bill eliminates the requirement that DECD's annual report to the governor and General Assembly summarize its housing development efforts. DOH has assumed authority over these functions and must, by law, report on them.

The bill also makes the DOH, rather than the DECD, commissioner responsible for ensuring that residential anti-displacement and relocation assistance plans are properly implemented in connection with housing and community development projects that receive state assistance. The DECD commissioner remains responsible for ensuring that the plans are properly implemented in connection with similarly financed economic development projects.

The bill also makes technical changes.
