

Distinguished members of the environmental committee: I am writing in support of H.B. 5080 Connecticut's Sunday hunting ban. It is simply a blue law that is antiquated, that needs to be repealed. I am asking you to defend the rights of landowners to determine who, where, when, and what activities should occur on our [properties.it](#). It is ridiculous that an activity that is safe and legal 6 days a week is illegal one day a week. Thank you for your time... Timothy Herndon
