

To whom it may concern,  
I am writing in support of H.B 5080. Connecticut's Sunday hunting ban is simply an antiquated blue law that needs to be repealed.

My family is fortunate enough to own an 88 acre farm here in Southwest CT. We enjoy the outdoors and living off the land. We all also work Monday-Friday leaving us with the weekend to hunt. This law cuts our season in half. Why can't a family enjoy the great outdoors of CT and hunt on their own land on a Sunday? What makes Sunday different than Saturday or Monday or from any other day of the week for that matter? We love CT but this law isn't fair to the tax paying hunters and good members of society or people who live off of what they harvest. We are asking you to make it legal to hunt on Sundays with Bow and Arrow on Private Land. How will this law negatively affect anyone in the state?

Thank you for your time and please consider.
