

I am in support of H.B. No. 5080, **AN ACT CONCERNING DEER MANAGEMENT PROGRAMS ON PRIVATE PROPERTY AND AUTHORIZING BOW AND ARROW HUNTING ON PRIVATE PROPERTY ON SUNDAY**

I am a member of the Pachaug Outdoor Club which consists of over 400 sportsmen and women with a love of the outdoors and the proper management of wildlife species. I'm sure many in the club feel as I do that passage of this bill will provide a method to manage the state's deer herd with virtually no impact on the enjoyment of the outdoors by non-hunters, as it will be contained on private property with no visual or auditory evidence of the activity to others .

Thank you for taking my thoughts into consideration.
