

To Whom it May Concern:

My name is Greg Kotecki and I live in Ledyard Connecticut and I write to you to voice my full support for HR5080 (Sunday Hunting).

As a working person, the inability to hunt on Sunday severely limits the ability to hunt inasmuch as it limits deer, turkey and bird hunting to once a week.

Allowing for Sunday hunting will also aide in the goal of controlling the overpopulation of deer which will also help control the spreading of Lyme disease.
