

Dear Environment Committee;

I am writing in support of H.B 5080. Connecticut's Sunday hunting ban is simply an antiquated blue law that needs to be repealed. 85% of states in this country allow Sunday hunting including our neighbors in NY and RI.

Fishing is legal on Sundays, trapping is legal on Sundays, anyone can now buy alcohol on Sundays, so why not be able to take my child out in the woods the one day I do not have to work if I so choose to legally do so.

Dan Malloy has said that he will sign the Bill if it is passed by the Legislature, so I urge you all to support this bill.
