

Distinguished Members of the Environmental Committee: I am writing in support of H.B 5080. Connecticut's Sunday hunting ban is simply an antiquated blue law that needs to be repealed. I am asking you to defend landowner rights by allowing landowners to determine who, where, when, and what activities should occur on our properties. It is ridiculous that an activity that is SAFE and LEGAL 6 days of the week is illegal one day. I support Sunday Bow Hunting. I'm currently a member of Newtown Fish and Game.

Sincerely,

Paul Rigoli
