

Distinguished Members of the Environmental Committee:

I am writing in support of H.B 5080. Connecticut's Sunday hunting ban is simply an antiquated blue law that needs to be repealed.

We are asking you to defend landowner rights by allowing landowners to determine who, where, when, and what activities should occur on our properties.

It is ridiculous that an activity that is SAFE and LEGAL 6 days of the week is illegal one day. There will not be many sportsman left in CT if you continue to pass laws against us. This is one that can help keep us in CT and not moving to a state friendly.
