

**HJ 42 – 3-21-14**

**Sent:** Friday, March 21, 2014 5:41 PM

**To:** Jud Testimony

**Subject:** "No" to the Carla Nash attempt to sue the state of Connecticut

While there is no question that Ms Nash's injuries are horrific, at the time of the incident the state of Connecticut had sovereign immunity.

Sovereign immunity exists for good reasons and should not be altered or removed in response to this victim's claims.
