

Dear Judiciary Committee Colleagues,

I am out of the country this week, so I will not be here on the day of our Judiciary Committee Meeting on Thursday, November 13th. For these reasons, I am e-mailing you to express my support for the judicial nomination of Attorney Alex V. Hernandez of Fairfield.

I have known and worked with Attorney Hernandez for many years, both during the time he was an Assistant United States Attorney and more recently, in his private practice with the Pullman and Comley, LLC Law Firm.

I have litigated many criminal cases with Attorney Hernandez and can say first hand, that he is a very talented trial attorney, who is highly respected by the criminal defense bar. In this regard, I have found him to be extremely knowledgeable, as he has litigated many serious and complicated criminal defense cases in both state and federal courts. Attorney Hernandez is a person of integrity, has the highest ethical standards and is a caring and compassionate individual. As such, I believe he would have a perfect judicial temperament.

For all these reasons, I believe he would be a great asset to the Judiciary and urge your support for his nomination.

Sincerely,

Auden Grogins
