To Public Health Committee Co-Chairs Representative Terri Gerratana and Representative Susan Johnson, and Members of the Public Health Committee:

I am writing to ask for your support of Raised Bill 5144, An Act Concerning Access to Birth Certificates and Parental Health Information for Adoptive Persons.

I am a birth parent whose son was born and adopted in the state of Connecticut in 1969. I did not know then or many years later that he would have an amended and falsified birth certificate. I strongly believe that he and ALL adult adoptees should have access to their original birth certificates, and the bill should be both retroactive and prospective.

Thank-you very much for your consideration.

Sincerely,

Cheryl Chant
