

**Becca Mitchell** HB 5147

To whom it may concern:

I am writing in support of Bill HB 5147 on CMV education and awareness. My niece lost her 2nd daughter due to complications related to CMV. A virus unknown to us till now. There are simple precautionary measures that pregnant women can implement to lower the incidence of infection, but only if there is an awareness of the CMV virus. I support Bill HB 5147 for CMV awareness and CMV education for all pregnant women and CMV testing and treatment for newborns.

Sincerely,  
Becca
