

Kimberly Marshall HB 5537

To Whom it May Concern,

My name is Kimberly Marshall and I live at 53 Osborne Hill Road in Sandy Hook. As a practicing Board Certified Behavior Analyst, I am writing to express my concern about Bill HB 5537 Section 42 (6) and the negative impact it would have on consumers of Applied Behavior Analysis . Speech Language Pathologists are not required to take courses in behavior analysis as part of their training and certification and therefore Applied Behavior Analysis is currently not within their scope of practice. I appreciate you taking my concern into consideration when this bill is heard on Friday, March 14th.

Sincerely,
Kimberly Marshall
