

Paul Sheahan HB 5537
121 Shagbark Dr.
Derby, CT 06418

March 12, 2014

Dear CT PHC Testimony,

Dear Senator Gerratana, Representative Johnson, and esteemed members of the Public Health Committee:

I write to ask you to strongly support and vote in the affirmative to add bill language for the modernization of the CT Naturopathic physician scope of practice to HB 5537. The language needs to be attached to this bill so it can come before the Public Health Committee for consideration. This Naturopathic scope of practice law is 90 years old and has not kept pace with the significant advances in education and training of Naturopathic doctors in the ensuing decades.

Naturopathic medicine has helped me with my illness far more than standard medicine. Please help the naturopathic doctors to continue their good work.

Thank you for your support and consideration.

Sincerely,
Paul Sheahan
