DEPARTMENT OF SOCIAL SERVICES

Notice of Intent to Amend Regulations

In accordance with the provisions of subsection (a) of section 4-168 of the Connecticut General Statutes, as amended, notice is hereby given that the Commissioner of Social Services, under the authority of section 17b-423 of the Connecticut General Statutes, proposes to amend section 17b-423-8 of the Regulations of Connecticut State Agencies. The proposed amendment corrects an error in the amount of supplemental service benefits available to a caregiver in a fiscal year. This amendment was effective January 3, 2013.

Statement of purpose: The purpose of the proposed regulation is to amend the dollar amount available to caregivers for supplemental service benefits during any fiscal year.

(A) The problems, issues or circumstances that the regulation proposes to address: The amount stated in subdivision 17b-17b-423-8 (g)(3) of the Regulations of Connecticut State Agencies is incorrect due to a typographical error and must be corrected. Currently, the language of this subdivision provides that the amount of supplemental benefits is limited to \$7500 per fiscal year. The correct amount is \$750.

(B) The main provision of the regulation amends the amount of supplemental service benefits available to a caregiver in a fiscal year from \$7500 to \$750.

(C) The legal effects of the regulation; including all the ways the regulation would change existing regulation or other laws: The proposed amendment corrects a typographical error.
