RE: 2014-011 DMV Regulation "Assessment of Points Against an Operator's License for Motor Vehicle Law Violations"

Dear Senator Ayala and Representative Noujaim:

Attached, please find the substitute page for the above-referenced regulation. The purpose of the change is to add mandatory language found in the underlying statutory authority. Except for the recently added exception to section 14-137a, the added language was inadvertently omitted at the time of the adoption of the regulation in 1992.

On page 2, in section 14-137a-5, subsection (f) was added to stipulate that no points will be assessed to an operator if payment for an infraction or violation enumerated in subsection (b) of Section 51-164n is sent to the Centralized Infractions Bureau, *except* for any infraction or violation specified in Section 14-137a of the Connecticut General Statutes.

Thank you for your consideration. If you have any questions, please do not hesitate to contact me at (860) 263-5460.

Sincerely,

A handwritten signature in blue ink that reads "Anne F. Howroyd".

Anne F. Howroyd
