RE: Proposal to Establish a Slow-No-Wake Zone on Lake Waramaug, Towns of Washington, Warren and Kent

Dear Senator Ayala and Representative Noujaim:

Pursuant to section 4-170 of the Connecticut General Statutes, I submit for your consideration and approval the enclosed proposal to amend the boating safety regulations by adding Section 15-121-B15p to the Regulations of the Connecticut State Agencies. The amendment is proposed under the authority granted to the Commissioner in Section 15-121(b)(11) of the Connecticut General Statutes (CGS) and compelled by the May 16, 2013 vote of the Town of Warren legislative body and petition of ten or more persons pursuant to CGS Section 15-136(b)(2).

The proposal would create a slow-no-wake zone in the northern portion of the cove of Lake Waramaug, adjacent to Lake Waramaug State Park, for the purpose of minimizing user conflicts by controlling motorboat wakes in an area frequented by bathers and occupants of manually-propelled vessels.

If there are any general questions regarding this submission, please contact Robert LaFrance, the Department's Legislative Liaison, at 860-424-3401 (office) or 860-622-1797 (cell). Thank you for your assistance with this matter.

Sincerely,
