SUBJECT: Proposed Regulations Concerning Frozen Desserts

Enclosed please find the original proposed regulations and fiscal note in accordance with Section 4-170 of the Connecticut General Statutes. If you should have any questions, please call Attorney Jerry Padula at 860/713-6087.

SUMMARY OF REGULATION

The purpose of these regulations is provide an alternate means of production for the manufacture and retail sale of frozen desserts. To ensure an unadulterated product, the regulations allow the mixing of previously pasteurized products, require the use of specific refrigeration temperatures for such derived mixtures, and also require date marking.

With these regulations, retail manufacturers of frozen desserts will be allowed to employ an alternate production process which makes use of previously pasteurized ingredients.

The legal effect of this proposal would be to add an alternate new set of standards for the preparation of frozen desserts.
