

Hello, my name is Melisandje. I am a TOP student at Barnard Environmental Magnet School in New Haven. My zip code is 06513 and I live in Representative/Senator Rosa DeLauro's district. I would like Representative/Senator Rosa DeLauro support the DSS funded Teen Pregnancy Prevention Initiative. The Teen Outreach Program is important to me because they have a big impact on my life making me do more for the community life the helping of the Ronald McDonald House and us cooking and playing with the kids.

Thank you for your time,

Melisandje Sainvil
