

Hello. My name is Michael Jones. I am a TOP Student at Barnard Environmental Studies Magnet School. I live in New Haven District. My zip code is 06513. I would like my representative to support DSS failed teen pregnancy preventing initiative.

Alright here we go this helps a lot of my friends because it's a great way to express the way you feel and helps you with a lot of real life events and taking TOPS is basically taking a lot of kids' future because they're going to not have assistance and it helps kids with their grades like seriously do you really want to do that you government people or whatever are truly stupid and really need to use your head or just quit Ya job
