Why are afterschool programs important to my family !

After School programs are highly important to my family because without school programs, the children wouldn't have anything to do after school, I mean, I know that there's plenty to do when they get home, but what I enjoy most about these programs Is that my daughter feels happy and proud for Joining the Program. think about it, these programs are also helpful for homework, tutoring, and many different activities, Many Children will grow up in the streets and dedicate themselves to the streets ~~[illegible]~~ if there wasn't any after school Programs.... Therefore After School Programs Is very helpful.....

Why are afterschool programs important to my family !

After School Programs are important to my family because it gives my family time to finish their Jobs and time to come home. It also helps kids learn new things and STRIVE for everything they want to do.
