

Dear Senator Bye, Representative Walker, Senator Slossberg, Representative Fleischmann, and members of the Secondary Education Sub-committee:

My name is Kim Hills and I am a resident of Hebron, CT. I also live in Hebron, have a 4th generation dairy farm in Hebron, and teach at RHAM High School in Hebron.

I am writing to you in support of the Appropriations Secondary Education Sub-Committee to voice my opposition as a Connecticut taxpayer to the proposed cuts included in the Governor's budget regarding Connecticut's 102 Youth Service Bureaus.

I ask that you please do all that you can to remove the \$1.3 million dollar cut to YSBs from the Governor's proposal, (which includes the entire Enhancement Grant Line Item currently in the budget at \$620,000 and an approximately \$700,000 cut in the Cost Sharing grant that YSBs receive for being a Youth Service Bureau.

The State of Connecticut invests just over 3 million dollars in 102 Youth Services Bureaus statewide. In return those Youth Service Bureaus collectively raise nearly 30 million dollars through the municipalities they serve, through private and public grants, fundraisers and private contributions.

In the last two years YSBs reported having served over 448,000 youth and parents through many of the same programs that our own local youth services (AHM Youth and Family Services) provides to local citizens in our four communities. These programs all fall into the categories of mental health services, juvenile justice services, prevention programs, youth and family development programs. AHM works VERY closely with RHAM's community and schools and is an INTEGRAL part of our academic and health and wellness positive goals. Again please do everything in your power to save the funding for these vital programs.

Please help make sure that these cuts to do not go through!

Thank you for your time and consideration,

*Kimberly R. Hills
