RE: Governor Malloy's budget proposals

I am extremely disappointed to learn that Governor Malloy's budget proposes to eliminate funding for Connecticard, Connecticut Library Consortium and Grants to Public Libraries.

I am an active member of Friends of Babcock Library in Ashford and have been a lover of libraries since I was a child. I support funding of the Interlibrary loan system in Connecticut. The cuts will affect the small and rural towns that depend on the Interlibrary loan system. Many towns, including Ashford, depend of these resources.

I cannot understand why the Governor chooses to target library services which are so important to Connecticut's residents.

Sincerely,
