

My Name is Kristin Gardner Taylor and I live in New Haven.

I am testifying against Governor Malloy's proposed budget cuts to DDS.

I have a nephew that is I/DD; he is severley autistic and these budget cuts would hurt my brothers family and my nephew. They depend on this support and these cuts would directly impact them!

I request that the Appropriations committee stop the cuts to DDS and restore full funding to DDS and fund the DDS waiting list.

Thank you.

Regards

Kristin Gardner Taylor
