

DDDD
Stamford

Good Afternoon Senator Bye, Representative Walker and members of the Appropriations Committee. My name is DDDD and I am sending my testimony on the Governor's Proposed Biennial Budget.

I am OPPOSED to the proposed cuts to the Department of Mental Health and Addiction Services, and any further cuts that might interfere with any of the services they provide. It is outrageous in my opinion that you would hold back the funding that could help us reduce the stigma that is associated with Mental Illness. This is almost scandalous. You may be stigmatizing those of us with Behavioral Health issues further with your intentions alone.

I urge you to restore these harmful cuts to ensure crucial services are available to the residents of Connecticut.

Thank you for your attention to these important services and supports.

Sincerely,
DDDD
