

In Regards , I would like my State of Connecticut leaders to know of my opposition to the proposed budget cuts. The need for Mental Health Services is in need of continued support and with the severity of our youngsters in need of counseling with their stability and continued good performance with their academics and guidance to daily concerns they may have, I am asking for no budget cuts to Mental Health Services. In The Best Interests Of Everyone, Bruce Mathias Gunzy, Peer Support Specialist, AT The Kennedy Center.
