Good Afternoon Senator Bye, Representative Walker and members of the Appropriations Committee. My name is TTTT and I am sending my testimony on the Governor's Proposed Biennial Budget.

I am OPPOSED to the proposed cuts to the Department of Mental Health and Addiction Services, and any further cuts that might interfere with any of the services they provide. I'm benefiting by coming here to F.S.Dubois. I meet people on a daily basis. I have fun. I'm getting proper counseling to help me with all sorts of things. I am no longer hearing voices and I am being treated with medicine to help me cope.

I urge you to restore these harmful cuts to ensure crucial services are available to the residents of Connecticut.

Thank you for your attention to these important services and supports.

Sincerely,  
TTTT
