

AAAA
Stamford

Good Afternoon Senator Bye, Representative Walker and members of the Appropriations Committee. My name is AAAA and I am sending my testimony on the Governor's Proposed Biennial Budget.

I am OPPOSED to the proposed cuts to the Department of Mental Health and Addiction Services, and any further cuts that might interfere with any of the services they provide. F.S. Dubois has helped me to get my medication for free when I could not afford it. They have helped me get housing and my case manager, Maurine has helped me immensely. I don't have Medicaid and I cannot sleep at night and I wake up depressed when I do not have my medication. I have trouble holding down a job because of my symptoms and I need allot of help from Dubois to maintain stability.

I urge you to restore these harmful cuts to ensure crucial services are available to the residents of Connecticut.

Thank you for your attention to these important services and supports.

Sincerely,
AAAA
