

Dear State Sen. Kelly and Fellow CT Appropriations Committee Members:

I am in full support of CT Senate Bill 128 and/or other new legislation that would dramatically restrain our state's out-of-control spending habits, not to mention the size and scope of our state's government in and of itself. We need to reconsider how our state allocates every aspect of its budget so that we can be on stronger fiscal footing in the months and years to come.

Thank you for taking the time to hear me express my views on this pending legislation, and God Bless America.

Yours Truly,

Mr. Jamie C. Quaranta
