

Senate Bill 816 to apptestimony@cga.ct.gov

I received an email this morning saying I must send in my email concerning Bill 816 in word.

I am a resident of Haddam Ct.. I am totally in favor of Bill 816. Haddam has been underfunded for years. Our partner Killingworth in Reg. District 17 gets more money than Haddam and has less students. The ECS has to be more equitable. Equitable in their funds to all Ct. towns – esp. those within the same district.
