

Bill 6509...During 11 months Mr. C's Fix Up Shop endure the pain of demolition and rebuilt of CVS at 221 Hope St. Stamford Ct. We have a fence 3 feet from our door, machines working.. dust..no parking and our customer not knowing if we were open anymore .CVS. never offer any help or assistance, they put out of business a Deli , chinese restaurant, dry cleaning shop, and we survived due to the fact that my shop is located in a small building a 40 feet from CVS..during 11 months we live from social security and savings...The Stamford Advocate wrote a long article about this injustice, we send a letter to Mr. Malloy and others.....nobody care, we are small business and unimportant. My wife and I , are 74 years old, and we need to work....but we are to old to start a new place/.....Please help Us and all people affected by the big corporations that are killing the small businesses who are in need of a fair deal. Thank you .. Edward and Lidia Caceres...Mr. C's Fix Up Shop 221 Hope . St. Stamford Ct. 06906 203-357-1241...😊..
