

## CHARTER SCHOOL PERFORMANCE FRAMEWORK

The Connecticut State Department of Education’s (CSDE) charter school performance framework promotes clear and transparent expectations for all charter schools. The four performance standards are central to measuring schools’ efficacy and viability, and align to state law and national best practices among charter school authorizers, as accumulated by the National Association of Charter School Authorizers. Within each standard area, the framework identifies a series of indicators used to evaluate charter schools. The framework drives the CSDE’s charter school accountability systems and processes, including initial approval decisions, annual monitoring, and renewal determinations.

Performance Standards:	
<b>1.</b>	<b>School Performance:</b> Is the school a successful model resulting in strong student outcomes and a positive school climate?
<b>2.</b>	<b>Stewardship, Governance, and Management:</b> Is the school financially and organizationally healthy and viable?
<b>3.</b>	<b>Student Population:</b> Is the school promoting equity by effectively attracting, enrolling, and retaining students, particularly among targeted populations?
<b>4.</b>	<b>Legal Compliance:</b> Is the school acting in compliance with applicable laws and regulations?
