

I am writing in concerning the bamboo buffer zone. My name is Denise Cappella. My address is 41 Short Rocks Rd. Branford Ct. My next door neighbor has running bamboo on his property line bordering my property.

Concerning the bill that I would like to see passed
Bamboo shall not be allowed to exist without a 40 ft buffer zone regardless of when it was planted.

Enforcement narrowed to the zoning officer with fines payable to the municipality.

Court can also enforce to 40ft buffer zone with attorney fees, cost and disbursements paid to the prevailing party.

Thank you for your time.
