

I have been a member of the Friends of Fort Trumbull State Park for over ten years and have learned to fully understand how important our State Parks have become in this ever so busy world of ours. People need a place to go to unwind, relax and just enjoy Mother Nature. I also fully understand that State Parks require staff, maintenance and funding but, somehow, this does not overshadow the needs for the sanity of the public.

I would like to go on record that I do not support the proposed Bill SB 215 at this time.

Thank you for listening
