Testimony on SB215

SB 215 An act concerning the establishment of New State Parks.

I strongly oppose SB 215.

Leave the system and statute in place to establish CT State Parks as it is. It has worked for over 100 years

CT has 108 State Parks and how they were created, developed and maintained is working for the millions of visitors that enjoy them year in and year out. If it is not broken it does not need fixing.

Once again I strongly oppose SB 215.

Thank you for your consideration.
