Testimony of Lawrence Goldman

Good morning Senator Duff, Representative Janowski, Senator Kane, Representative Buck-Taylor and members of the Executive and Legislative Nominations Committee

My name is Larry Goldman and it is an honor and privilege to be appointed a member of the Judicial Review Committee by Governor Malloy.

I appreciate the opportunity to appear before you to speak of my desire to serve on the Judicial Review Committee.

I have lived and worked in Norwich, CT since 1989 and have involved myself in the local and state politics and worked on many boards and commissions. Professionally, I have worked for a few regional commercial printers in the area and have run a successful print broker business.

As a public member of the Judicial Review Committee, I feel I have a great background and experience in the area of ethics. As a City Council member, I established an Ethics Review Committee to review the City of Norwich's 50 year old code of Ethics. This committee did an outstanding job in re-writing the code of Ethics for Norwich.

I would be proud to take that experience I encountered during this review period to the Judicial Review Committee to help them through their designated process.

Again, thank you for the opportunity to speak before you. I am looking forward to serve on the Judicial Review Committee with your approval.

Larry Goldman
