AN ACT AUTHORIZING THE SALE OF CERTAIN BRANDY BY FARM WINERIES.

2 repealed and the following is substituted in lieu thereof (*Effective from*
3 *passage*):

4 (e) (1) A manufacturer permit for a farm winery shall be in all
5 respects the same as a manufacturer permit, except that the scope of
6 operations of the holder shall be limited to wine and brandies distilled
7 from grape products or other fruit products, including grappa and
8 eau-de-vie. As used in this section, "farm winery" means any place or
9 premises, located on a farm in the state in which wine is manufactured
10 and sold.

11 (2) Such permit shall, at the single principal premises of the farm
12 winery, authorize (A) the sale in bulk by the holder thereof from the

16 thereof to a retailer of wine manufactured by the farm winery
17 permittee in the original sealed containers of not more than fifteen
18 gallons per container; (C) the sale and shipment by the holder thereof
19 of wine manufactured by the farm winery permittee to persons outside
20 the state; (D) the offering and tasting of free samples of such wine or

24 or brandy for consumption off the premises; (F) the sale at retail from
25 the premises of wine or brandy by the glass and bottle to visitors on
26 the premises of the farm winery permittee for consumption on the
27 premises; and (G) subject to the provisions of subdivision (3) of this
28 subsection, the sale and delivery or shipment of wine manufactured by
29 the permittee directly to a consumer in this state. Notwithstanding the
30 provisions of subparagraphs (D), (E) and (F) of this subdivision, a
31 town may, by ordinance or zoning regulation, prohibit any such
32 offering, tasting or selling at retail at premises within such town for
33 which a manufacturer permit for a farm winery has been issued.

34 (3) A permittee, when selling and shipping wine directly to a
35 consumer in this state, shall: (A) Ensure that the shipping labels on all
36 containers of wine shipped directly to a consumer in this state
37 conspicuously state the following: "CONTAINS ALCOHOL—
38 SIGNATURE OF A PERSON AGE 21 OR OLDER REQUIRED FOR
39 DELIVERY"; (B) obtain the signature of a person age twenty-one or
40 older at the address prior to delivery, after requiring the signer to
41 demonstrate that he or she is age twenty-one or older by providing a
42 valid motor vehicle operator's license or a valid identity card described
43 in section 1-1h; (C) not ship more than five gallons of wine in any two-
44 month period to any person in this state; (D) pay, to the Department of
45 Revenue Services, all sales taxes and alcoholic beverage taxes due
46 under chapters 219 and 220 on sales of wine to consumers in this state,
47 and file, with said department, all sales tax returns and alcoholic
48 beverage tax returns relating to such sales; (E) report to the

49 Department of Consumer Protection a separate and complete record of
50 all sales and shipments to consumers in the state, on a ledger sheet or
51 similar form which readily presents a chronological account of such
52 permittee's dealings with each such consumer; (F) not ship to any
53 address in the state where the sale of alcoholic liquor is prohibited by
54 local option pursuant to section 30-9; and (G) hold an in-state
55 transporter's permit pursuant to section 30-19f or make any such
56 shipment through the use of a person who holds such an in-state
57 transporter's permit.

58 (4) No licensed farm winery may sell any such wine or brandy not
59 manufactured by such winery, except a licensed farm winery may sell
60 from the premises (A) wine manufactured by another farm winery
61 located in this state, and (B) brandy manufactured from grapes and
62 fruit harvested on the premises of such farm winery and distilled off
63 such premises.

64 (5) The farm winery permittee shall grow on the premises of the
65 farm winery or on property under the same ownership and control of
66 said permittee or leased by the backer of a farm winery permit or by
67 said permittee within the farm winery's principal state an average crop
68 of fruit equal to not less than twenty-five per cent of the fruit used in
69 the manufacture of the farm winery permittee's wine. An average crop
70 shall be defined each year as the average yield of the farm winery
71 permittee's two largest annual crops out of the preceding five years,
72 except that during the first seven years from the date of issuance of a
73 farm winery permit, an average crop shall be defined as three tons of
74 grapes for each acre of vineyard farmed by the farm winery permittee.
75 Such seven-year period shall not begin anew if the property for which
76 the farm winery permit is held is transferred or sold during such
77 seven-year period. In the event the farm winery consists of more than
78 one property, the aggregate acreage of the farm winery shall not be
79 less than five acres.

80 (6) A holder of a manufacturer permit for a farm winery, when
81 advertising or offering wine for direct shipment to a consumer in this

82 state via the Internet or any other on-line computer network, shall
83 clearly and conspicuously state such liquor permit number in its
84 advertising.

85 (7) A holder of a manufacturer permit for a farm winery may sell
86 wine manufactured from such winery at a farmers' market, as defined
87 in section 22-6r, that is operated as a nonprofit enterprise or
88 association, provided such farmers' market invites such holder to sell
89 wine at such farmers' market and such holder has a farmers' market
90 wine sales permit issued by the Commissioner of Consumer Protection
91 in accordance with the provisions of subsection (a) of section 30-37o.

In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 15 \$	FY 16 \$
Department of Revenue Services	GF - Potential Revenue Gain	Up to 5,000	Up to 20,000

Municipal Impact: None

Explanation

The bill allows any farm winery to sell on its premise brandy manufactured from fruit harvested on the premise but distilled off-site. To the extent that farm wineries sell such product, there will be a revenue gain to the state from the alcoholic beverages and sales taxes applied to such products.

For illustrative purposes, assuming that 50% of the state's wineries produce such brandy for sale on premise as a result of the bill, it is estimated that the alcoholic beverages and sales taxes generated would be up to \$20,000 annually. This estimate assumes that the production of brandy at these wineries would be small relative to the production of wine.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation.
