

TESTIMONY BEFORE THE
FINANCE, REVENUE AND BONDING COMMITTEE
REGARDING GOVERNOR'S BILL 6840
April 27, 2015

I am Paul W. Brady, Executive Director of the American Council of Engineering Companies of Connecticut (ACEC/CT), representing over 90 engineering firms providing independent engineering services to the public and private sector with more than 1,300 employees.

On behalf of ACEC/CT, I would like offer our members support for Governor's Bill 6840, AN ACT CONCERNING INVESTMENTS IN CONNECTICUT'S TRANSPORTATION INFRASTRUCTURE.

The projects that are included in this bill would improve public safety and grow Connecticut's economy. We support the Governor's *Let's Go CT!* initiative and look forward to working with the Department of Transportation to help them meet our considerable transportation infrastructure needs.

Thank you for your consideration.
