Re: Please support HB 7054, An Act Concerning Keno
Date: 4/8/2015

As a current lottery retailer I would like to express my support for the House Bill 7054 concerning Keno. We have customers come in ask when are we going to get Keno. I have customers who play Keno in the surrounding states. I believe we should support those dollars staying in Connecticut and supporting small businesses owner like myself.

Sincerely,
