Dear Grace,

My name is Doug Daly from Daly Express Mart LLC located in Woodbury, CT. I am emailing you today in regards of my interest in getting Keno. I have had multiple customers come into the store asking whether or not we were going to be getting this. I would love to have this in my store.

If you could get back to me in what I need to do in order to get Keno at my store that would be great.

Thank you,
Doug Daly
